Looking for Missing Endangered Woman

On January 30, 2013 at 6:00 p.m. Beaverton Police Officers were dispatched to the 12000 block of SW 8th Street on the report of a missing person.

When officers arrived they were told that Megan Elkington, 29 years of age had left her residence at approximately 5:30 p.m. Megan does not have the mental capacity of an adult and suffers from a disorder that does not allow her body to regulate temperature properly. Because of this and her being out in the weather this could cause her physical injury.

Megan is 4'11' tall, 133 pounds, short dark hair and was last seen wearing blue flowered tights and a zip up jacket. Megan may contact strangers and initiate conversation; she also likes dogs and might approach people if they have a dog.

We are asking the public to be on the lookout for Megan. If you see her, we ask that you call the Beaverton Police Department at (503) 629-0111
